

Time	Monday March 11:th Organized by MIUN	Tuesday March 12:th Organized by MoRe	Wednesday March 13:th Organized by Metsä Board	Thursday March 14:th	Friday March 15:th Organized by MIUN
8:00		Training at MoRe Research Starting at 8:30	Training at Metsä Board Husum mill, starting 9:00		Paper Optics (ON, HH, MN)
9:00		Wood and fibre	Info. Husum mil History, Process, Products		Paper Optics - Modelling
10:00	Cours administration and Introduction	Pulp and pulping	Surface treatment Coating and Calendering	<div style="background-color: orange; text-align: center; padding: 20px;"> <p><b>ROND</b></p> <p><b>ROND</b></p> <p><b>ROND</b></p> </div>	Paper Optics - Modelling
11:00	Lab tour at DPC	Paper and papermaking	Sustainability		Paper Optics - Elaboration
12:00	LUNCH	LUNCH	LUNCH		LUNCH
13:00	Paper Manufacturing - Overview -	Paper Properties	Mill tour		Paper and Printing JÖ
14:00	Handmade paper	Characterization	Mill tour		Ink and Paper Interaction
15:00		Lab tour Pilot equipment			Ink and Paper Interaction - Modelling
16:00	Manufacturing Processes - History - Paper grades		Optical Simulation Tools		Ink and Paper Interaction
17:00			Project-meeting		
18:00					
19:00	Curling	Skiing	Project		
20:00			Dinner
